CHECK-IN

What is the check-in procedure?

Smart check-in is now available; simply communicate your email address when booking or easily do the self check-in directly at the campsite.

It is however possible to carry out traditional check-in at the new outside counter. Anti-droplet barriers have been installed inside the reception.

Is the guest's body temperature measured upon arrival?

No. There is no measurement of the guests' body temperature upon arrival, even if the operator would be entitled to do so, preventing access if the detected temperature is over 37.5°.

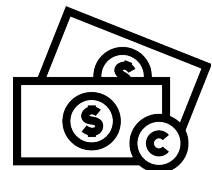

Access is forbidden to people that present flu-like symptoms or feverish states > 37.5° C, to persons who are subject to quarantine or that have come into contact with infected and virus positive subjects.

Do I have to observe special rules when inside the campsite?

The anti-COVID defence strategy is based on three simple, fundamental principles: 1) personal use of face masks; 2) personal hygiene; 3) respecting the distance of at least one meter. By e-mail, all guests will receive an anti-COVID information tip.

Is the Green Pass necessary to access the campsite?

No, starting April 01 a green pass will no longer be required to access campsites and accommodation activities.

CHECK-OUT

What is the check-out procedure?

To avoid social gatherings, we kindly ask you to do the check-out the day before departure, or in any case before moving your campervan / vehicle from the pitch.

INFO COVID - 19

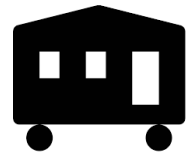

FACE MASK AND GLOVES

Do I have to wear a face mask during the holiday?

From May 1 face mask is no longer required in most indoor public areas. Wearing a face mask remains mandatory in public transport, in cinemas, theaters, discos. Face masks are strongly recommended where other social distancing measures are difficult to maintain.

Do I have to wear disposable gloves while on vacation?

Free access to hydro-alcoholic solutions for hand hygiene is guaranteed in various locations within the campsite. Its frequent use is suggested both to guests and staff. Therefore, the use of disposable gloves is not mandatory.

LODGES

How are the lodges sanitized?

All lodges are equipped with cold plasma machines that guarantee the continuous sanitization of air, environments and surfaces. We also collaborate with a specialized company that sanitizes the lodges at each guest change with the use of certified cleaning products. Natural air recirculation is also guaranteed.

PITCHES

Is it safe to stay on the camping pitches?

Of course. The width of the pitches ensures the respect of safety distance; the possibility of living the whole day outdoors and enjoying the sun's rays is an important factor in fighting infection.

How should I position the tent / caravan / campervan?

INFO COVID - 19

The open sides (the access side) of the housing units (caravans, campers, tents) must respect a distance of at least three meters from other neighbouring units.

SANITARY BLOCKS

How are toilets to be used and how are they sanitized?

Automatic nebulisers for hand disinfection are available at the entrance to be used at the entrance to protect others and at the exit to protect themselves.

Most of the taps with pedal, photocell or automatic closing, reduce the contacts.

The constant sanitization of frequently touched surfaces and sanitary fixtures carried out by specialized personnel, together with the natural circulation of air, guarantees the safety of users. Inside the sanitary blocks it is mandatory to use a face mask.

POOLS

Is it possible and is it safe to swim in the pools?

Yes, the chlorine contained in swimming pools water is constantly monitored by an automatic system and by the life guards. The crowding density in the pools it is calculated with an index of 7 m² of water surface per person.

Is it possible to use the solarium?

Yes, the crowding density in the solarium is calculated with an index of no less than 7 m² of walkable area per person. Equipment (deck chairs, sun loungers) can be positioned by respecting distance indications. The use of slippers on the solarium is mandatory.

All clothing and personal items must be stored in the personal bag.

BARBECUE

Can I cook and eat with friends?

INFO COVID - 19

Only gas barbecue is allowed on the pitch. You can use the charcoal barbecue in the special area located nearby the bar.
Use only authorized stations to avoid creating gatherings.
